Available À La Carte through Prepackaged School Supplies

ESV Bible This item is needed by all students in 7th-12th grade. Many students already have an ESV Bible for school use, but if your student's copy needs to be replaced, you may purchase one À La Carte through Prepackaged Supply. It is highly recommended (though not required) that all rising 7th grade students have a hardcover ESV Study Bible (Non-Indexed ISBN: 1433502410 or Indexed ISBN: 1433544032). This Bible comes with online access to free study materials. This Bible may be left on the bookshelf in Dr. Beates' classroom.

TI-30 Series Scientific Calculator This item is needed for 7th grade math, and for 8th grade science. Many students already have a scientific calculator for school use, but if your student needs one, it is available á la carte through Prepackaged Supply.

Not included in Prepackaged School Supplies:

- Backpack (without wheels)
- Lunch Box
- Refillable Water Bottle

Billed to Accounts (These items will be provided by TGS in conjunction with the Dialectic Dynamics organizational seminar on the first two days of school. The associated cost will be billed to accounts in September):

- Customized TGS Daily Planner
- Binders
- Tab Dividers

Physical Education: Please refer to the [uniform guidelines](#) for clothing needed for PE.

It is expected that all seventh grade students will have access to a computer with internet capabilities and a printer at home. They are given a Google Apps for Education account. This is the primary means for student writing and presenting through the year.

Parents are expected to use [RenWeb ParentsWeb](#) to check grades and assignments. Questions about ParentsWeb should be directed to [Jill Kong](#) (Registrar).

If purchasing items from Office Depot or Office Max, they will return 5% of your purchase to Geneva if you give them our ID number (70112745).
