2 Corinthians 9:8, NASB

## The Giving Fund: All your giving, all in one place

Instead of writing checks directly to charities or managing the complexities of a private foundation, you can experience a simpler, smarter way to support your favorite causes. It's called the Giving Fund from NCF. Also known as a donor-advised fund, a Giving Fund works like a charitable savings account. You give all types of assets into the Fund, receive an income tax deduction at the time of the donation, and then go online to recommend grants to your church or other charities ... and we mail the checks for you.

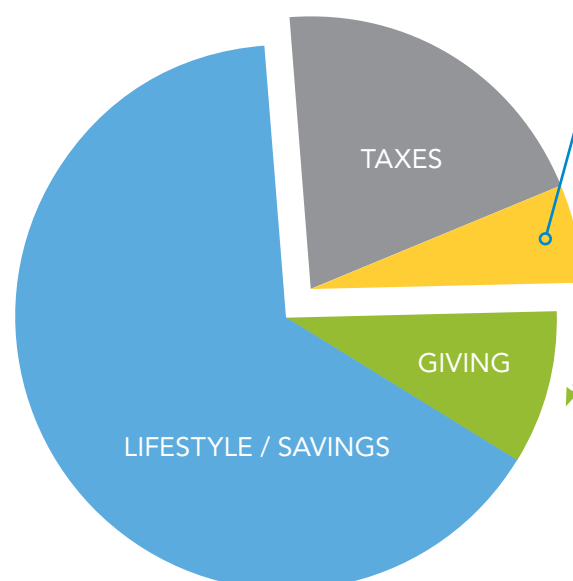

- Give online anywhere on our desktop or mobile apps
- Personalize your Fund, track history, and create goals
- Explore how to give more wisely and efficiently
- Discover new charities and causes to support

## Asset-Based Giving: Multiply your impact

If you're like most people, almost all of your wealth is tied up in your appreciated assets such as stocks, business interests, or real estate, while only a fraction is in cash. Our team of gift planners can help you convert tax dollars to charitable dollars and increase your cash flow, with what we call Asset-Based Giving.

From simple stock transfers to our "Charitable Shareholder" strategy for business owners, we can help you send more to your favorite causes than you ever imagined possible ... today.

We can help you discover ways to save taxes and send more to charity.

### TAX-SMART ASSETS YOU CAN GIVE

- Stocks
- Mutual funds
- Real estate (property or raw land)
- LLC, S-corp, and C-corp businesses
- And many other non-cash assets
