

Rising Third Grade Summer 2024 Reading List

Please encourage your children to immerse themselves in good books over the summer. We present this list to you as a guide, but please feel free to offer your children other books appropriate to their reading level. We realize that children entering third grade are at different reading levels. For this reason some of the books on the rising second grade list might also be appropriate to offer your children. Those books marked here with an asterisk (*) are of an easier reading level.
